

IPSC AB Membership Renewal - Existing Members - Instructions

STOP! If you have not attended a match in the last year, please contact membership@ipscalberta.com before completing an application to reconfirm your BB eligibility.

Note: The new member application or renewal process are almost identical, there is no difference in price. For renewal, you can assume your email is already likely on file and you just need to reset your password. For new members, it's not likely on file so you can skip that step and use the New Member set of instructions.
